Quiz: Getting around the class website!

If you made it here, you’ve found my COCC website, made it to the schedule page, and located the first quiz. “And if you’ve come this far, maybe you’re willing to come a little further.”

This quiz will have you explore the “FAQ” link in greater detail than we did in class (if I remember correctly, all I said was, “Here’s the FAQ.”). When you’re ready to take the quiz, click on “rules/hints”, and have at it! The quiz is written in first person; that is, when you see “I”, “me” or other first person pronouns, it is implied that I (Sean) am speaking.

All assessments (this one included) are to be uploaded to their respective areas in BlackBoard (BB). Be sure to follow submission guidelines on the “assessment” page (also on the same menu you just accessed for this quiz). Each of the following questions is worth 1 point.

1. Documents submitted to BB must be either Microsoft Word Documents or PDF documents. TRUE FALSE

2. It’s OK to simply print out the assignments I have posted for you, add your answers to them, rescan them, and submit them to BB. TRUE FALSE

3. Even if you collaborate with others on an assignment, each member of your group must individually submit your own unique work. TRUE FALSE

4. You will receive full credit on problems marked with “(w)” even if you don’t show how you arrived at your solution. TRUE FALSE

5. I will not accept emailed submissions of assessments after their deadlines. TRUE FALSE

6. If you do more than 10 quizzes, the extras (over 10) count as extra credit. TRUE FALSE

7. In-class quizzes count toward the 10 you need to do by the end of the term. TRUE FALSE

8. I will answer questions on assessments on their due dates. TRUE FALSE

9. Do not pay attention to the overall course grade you see in BB – only pay attention to the overall course grade in your weekly emailed progress report. TRUE FALSE

10. I will look over your work before you submit it to make sure it’s OK. TRUE FALSE
